Lingaiya having been appointed in the other vacancy. As both of them have to do Kannada reporting work and are now not in a position to do so, both of them need the necessary training for a period of about six months

34) Both the officials are followers of Mr.Deva Rao's system of Kannada Shorthand. They have therefore the advantage, if they wish to avail themselves of it, of undergoing training at the hands of the inventor himself In the alternative, they may be asked to join any recognized institution which imparts instruction and training in Kannada Shorthand, undergo practical training, and at the end thereof, produce a certificate to the effect that they are able to report public speeches and proceedings of ~~others~~ meetings. It is understood that the Shorthand Writers' Association of Mysore, Bangalore (a recognised institution), has opened a class in Kannada Shorthand.

35) One of the other Kannada Reporters (Mr.M.Narasimha Murthy or Mr.S.Nagesha Rao) may also be asked to give additional practical training, so that the new recruits may make themselves useful to this office as early as possible. And, in order that these may take training with due earnestness and perseverance, perhaps Mr. Deva Rao or the Shorthand Writers' Association, as the case may be, may be requested to send to this office periodical (monthly) progress reports about each of the officials.
